

## BIN MATE 3 in 1

Domestic and commercial bins are generally smelly, unhygienic and attracts insects.

Bin Mate 3 in 1 was formulated to combat these problems in the following 3 ways;

### *BIN MATE 3 in 1 will*

- 1 Disinfect and kills harmful germs.
- 2 Deodorise with a fresh Lemon Fragrance.
- 3 Assist with repelling insects such as flies.

Bin Mate 3 in 1 contains no harmful ingredients. It has been independently N.A.T.A ( National Association of Testing Laboratories ) certified as a commercial option C disinfectant under the T.G.A ( Therapeutic Goods Administration) Act.

The fresh lemon fragrance is derived from natural botanical extracts with added fixatives to the formulation to assure a long lasting residual fragrance.

## CITRONELLA

The Citronella oil we use is naturally derived and not synthetic.

The insect repelling nature of Citronella Oil is well established and has been used as such for over 60 years.

Citronella oil is non toxic and is regarded by the FDA as safe.
