

GRAFFITI REMOVER Gel formulation

WHEN SAFETY AND RESULTS ARE PARAMOUNT

Graffiti Remover Gel, is Non Flammable and does not contain, methanol, benzene or methylene chloride.

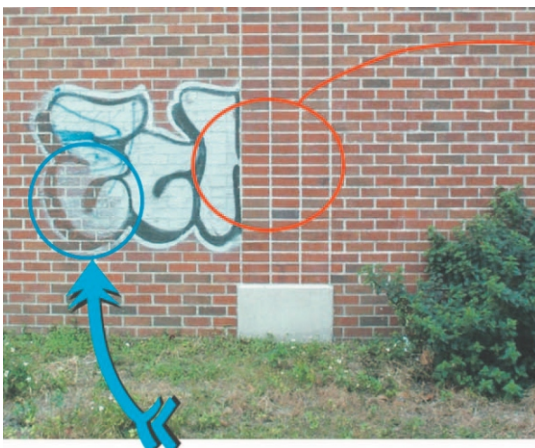

It's gel (thixotropic) consistency makes it ideal for use on vertical and horizontal surfaces.

When applied, the paint will be removed from the surface and be absorbed into the gel consistency making the paint removal, safe, simple and effective.

The application of Graffiti Remover Gel onto a surface that has been treated with Rapelle Graffiti Shield, will not harm the shield coating.

Is ideal for use on concrete, brick, pavers, masonry and metal surfaces.

- * **WATER SOLUBLE**
- * **NON CORROSIVE**
- * **NON FLAMMABLE**
